## White wines D.O.C. and “Schiacchetrà”

First Wine Tasting and Information Event  
Saturday May 29 and Sunday May 30, 2010  
Vernazza, “ex chiesa dei Frati”

In the charming village of Vernazza, on Saturday May 29 and Sunday May 30, 2010, the first wine tasting and information event will be held dedicated exclusively to the D.O.C. wines of the Cinque Terre and the sublime sweet wine “Schiacchetrà”.

In the medieval cloister of the Friars’ convent, 18 local D.O.C. certified producers offer the possibility to taste the variety of their choice wines. Wine experts and wine growers are at the disposal of the public: they will authoritatively explain wine making techniques and accompany the participants in 4 guided wine tasting experiences. The public can try the wines by purchasing a Wines of the Cinque Terre card.

Open to the public from 10.30 am to 7.00 pm.
